

Dear Candidate,

This is to inform all participants of the ICAI Campus Placement Drive that maintaining a professional appearance is essential during the placement process. Candidates are therefore required to follow the prescribed dress code during interviews and all campus-related activities.

Dress Code Guidelines:

For Male Candidates:

- Formal shirt (preferably light colour) with formal trousers
- Formal blazer or suit (recommended)
- Formal tie
- Polished formal shoes

For Female Candidates:

- Formal western wear (shirt/blouse with formal trousers or skirt) **or** formal Indian wear (saree/salwar suit)
- Formal blazer (optional but recommended)
- Closed formal footwear

Candidates are advised to maintain a neat, professional, and presentable appearance throughout the interview process.

Non-adherence to the dress code may affect the overall professional impression during the placement drive.

Best Regards,

ICAI Placement Directorate
