Indicative Guidelines and Procedure for Registration

1. **Steps for Registration by Recruiting Entities & Online Short-listing of Candidates**

Step 1.1:

A) Visit https://icaiplacements.icai.org/#/

B) Under the newly qualified CAs for "Company" to fill up the form as a New User and then proceed to fill in some preliminary details and create a User Name and Password (if already registered, may use the same User Name and Password to login)

C) Login as a Registered User.

D) Click on the Registration form and fill all the details, get centre wise Day Slots based on CTC norms, proceed to proforma and payments for further process.

Step 1.2:

After the allotment of day slots, the recruiting entity is free to make the payment through Credit/Debit card or seek for proforma invoice to settle through cheque/DD/RTGS/NEFT.

Step 1.3:

After completion of the online registration and upon receipt of the participation fees, the ICAI Placement Directorate Secretariat would provide the online access to the database of the candidates on the dates specified in the brochure for short listing.

Step 1.4:

The recruiting entity is required to do the online shortlisting of the candidates within the specified time frame stated in the brochure for the respective centre.

An organization can shortlist a maximum of up to 10 times the number of candidates against the declared vacancies. For example, if Company X has declared 15 vacancies, it can shortlist candidates in a 1:10 ratio, which means a total of 150 shortlisted candidates. If, out of these 150 candidates, company receives consent from only 120 Candidates for interview, company can shortlist the remaining 30 candidates in the second round of shortlisting.

Step 1.5:

For Eligibility of candidates, please refer to **announcement** available at https://icaiplacements.icai.org/#/

2. **Disclosure of Information**

The recruiting entities need to specify the following information clearly (on the portal) in Proforma:

- Internal Selection criteria:
  - Whether graduation is must
  - Number of attempts to complete CA final
  - Number of attempts in passing CA Final/ Inter/ Foundation/ CPT
  - Reservation, if any, (UR, OBC, EWS, SC, ST, PH) should be specified on the portal.
  - Bond, if any, (period and amount of Bond)
  - Any other important point/aspect
  - Recruiting entities opting registration for more than one centre should specifically mention the name and contact details of respective recruiting official.
  - Declared vacancies should be mentioned centre-wise along with actual place of posting rather than marking PAN India.
  - Medical examination, if any, is to be conducted at the earliest possible so that the candidates who have given consent do not lose any opportunity for attending smaller centre interviews, because of being found unfit.
  - Job profile with description + responsibilities + place of posting in Department and City. e.g if a company X has posted 50 vacancies on portal for Corporate Banking, then the break-up of positions should be mentioned as Credit

Manager – 20, Relationship Manager – 10, Global Investment Banking – 20 etc.

- o Besides routine working hours (9:00 A.M. to 6:00 PM.) if there is any shift duty (for BPO/ KPO etc.) that should be indicated properly including flexi hours for females, if any.
- o The breakup of the CTC and the Minimum Take Home Salary to be paid should be given.
- o Importantly, declared vacancy to be filled up in full and in the event of not doing so, justifiable reasons should be furnished.

3. Uploading of Brief Job Profiles for Prior Awareness of Candidates

ICAI welcomes sharing of important inputs about a participating entity, in the form of its products, place(s) of operation, future plans, employee strength, organization chart, requirement for entering into any service bond, and so on, that could in turn help candidates understand their prospective roles, responsibilities, challenges, opportunities and future growth prospects etc. But such information should be provided in a standardized format, available at https://cmibplacements.icai.org/ to facilitate maintaining uniformity and making it purpose specific. Moreover, recruiting entities are free to share more information through PPT and that could be uploaded for viewing by the candidates giving consent for appearing in interview of respective entities.

4. Shortlisting Process

a. Sharing of Database only on payment of participation fees: Access to the database of the candidates shall be allowed only after the receipt of full participation fee. No refund of fees would be made in case a recruiting entity withdraws after confirming the participation and having access to database.

b. Shortlisting in two Rounds: - Recruiters can shortlist the candidates in two rounds. After the first round of shortlisting and consenting, recruiters can access the database of candidates who have not been shortlisted and shortlist them for second round, subject to maximum ten times of vacancies.

c. Online Shortlisting:- Recruiters will have to mark the shortlist of the candidates online within the last date of shortlisting at the respective centres as per the schedule.

Note: The various dates by which the recruiters must do their shortlisting and the schedule of the interviews are also available at https://icaiplacements.icai.org/#/

5. Limit on Shortlisting

Shortlisting by individual recruiting entities will be restricted to maximum 10 times of the number of vacancies declared to be filled up from a particular Campus Placement Programme centre. Candidates will also be able to view their shortlisting status online. Every candidate can give consent maximum in four (4) recruiting entities irrespective of the number of recruiting entities shortlisting him/her.

Once Shortlisted, it is mandatory for the recruiting entities to interview the candidate..

6. Infrastructure and Other Facilities

- Timing: - The timing for the interviews on all days shall be between 9:30 A.M. & 6:00 PM.

  The recruiting entity will be provided one room only for conducting the interview process. For requirement of any extra room, the recruiting entity should inform well in advance to ICAI and payment for the extra room/ space will be borne by that recruiting entity. In case, any stay arrangement is required for company HR, ICAI would be informed beforehand and actual amount spent for the same will be borne by the recruiting entity.
- ICAI shall provide breakfast, lunch (veg only) and evening tea to all the representatives of the recruiting entities. For extra item(s) the recruiting entity shall be required to pay the bill.
- Recruiting entity is requested to intimate well in advance (4 days prior to interview) information regarding number of panels coming for G.D./interview so as to help in slot allocation and hassle-free process on the scheduled date of interview.
- ICAI placement Directorate simply acts as a facilitator to bring the recruiter and CAS together. Any further issues arising thereafter employment between employer and candidates shall be their internal matter.

7. Issuance of Offer Letter to Successful Candidates

Recruiting entities are required to upload result (Offer) on the portal through their login on the same day of interview and set deadline in the portal for acceptance by selected candidates preferably within (15) fifteen days.

Upon issuance of the offer letter, it is advisable to proactively engage the candidate during the interim period by enrolling them in a structured induction program or involving them in relevant organizational projects/ Official Training. Such engagement will help sustain their interest, reinforce their commitment, and strengthen their association with the organization prior to commencement of employment.

Candidates will have to mark their acceptance on the Portal within the deadline and submit on-line declaration form. Candidates, who accept the offer, are not permitted to appear in further interviews.

Candidates will be accepting offer of organizations and submit declaration form of ICAI after all the interviews, of a particular day, for which he/she has consented, are over. Hence, recruiters may give reasonable deadline for marking acceptance.

Recruiting entities participating at a particular day would be required to offer same CTC as per brochure guideline.

Recruiting entities are required to release the offer letter within 15 days from the date of document verification.

The minimum CTC offered should match the CTC given in norms for allotment of day slots. In case recruiting entity is offering different CTC to different candidates, it must register on different dates as per the norms for allotment of day slots.

8. Companies can ask for CA Membership Number from the hired candidates

Membership of ICAI must use the two symbolic letters- 'CA' that signify a symbol of trust. Membership of ICAI entitles a Chartered Accountant to access continuing professional education programmes of ICAI. Members are also subject to Code of Ethics and stringent disciplinary mechanism of ICAI. Hence, it is in the interest of recruiting entities to insist/persuade the new recruits to obtain the membership of ICAI at the very earliest.

Note: There would be no-pre-placement talk; hence remains the above arrangement.

(That person who is awake in those that sleep, shaping desire after desire, that, indeed, is the pure. That is Brahman, that, indeed, is called the immortal. In it all the worlds rest and no one ever goes beyond it. This, verily, is that, kamam kamam : desire after desire, really objects of desire. Even dream objects like objects of walking consciousness are due to the Supreme Person. Even dream consciousness is a proof of the existence of the self.

No one ever goes beyond it : cf. Eckhart : 'On reaching God all progress ends.')
